## Louisville Metro Parks Foundation Tree and Bench Donation Program

### Restore and Rejuvenate Our Parks

The Louisville Metro Parks Foundation accepts charitable donations to restore and rejuvenate Louisville parks and open spaces. Your donation of a tree or bench makes an excellent gift, and benefits parks citywide!

### Park Trees

Trees make great gifts and help make Louisville a greener, healthier place to live. Your donation towards the tree program supports the Louisville Metro Parks Foundation's efforts to maintain and grow our canopy. Choose from the following options:

#### Adopt-a-Tree • \$250

Adopt a mature tree in a Metro Park and help support Louisville's urban forest canopy. Tree adoption certificates provided.

#### Plant-a-Tree • \$500

Choose from several parks to determine where your tree will be planted. A commemorative card will be sent to the donor or in honor of the designated recipient.

### Park Benches

#### Park Bench • \$2,500

Purchase a park bench in one of our parks in honor of your loved one, friend or colleague. Plaque included.
